

## *Rail-Bridge Logistics Overview*

- ✓ Division of "K" Line America, Inc.
- ✓ Markets "K" Line's surplus containers (20ft, 40ST, 40HC & 45ft) from inland locations westbound to LA/Long Beach, Oakland, Portland, Seattle, Vancouver, & Canadian Prairies as well as eastbound to Norfolk, Charleston & Savannah
- ✓ Strong equipment supply in the following locations: Ohio Valley, Midwest, Gulf, Northeast and Atlanta
- ✓ Arranges intermodal rail carriage via Norfolk Southern, Union Pacific, and Canadian Pacific Railways
- ✓ Works exclusively through Intermodal Marketing Companies

## *RBL Competitive Advantage*

- ✓ Ease of doing business
- ✓ Flexible On-Line Reservation System includes Reservations (CY & Street turn), waitlists & Reservation Status
- ✓ Street Turn report & snap-shot of equipment availability emailed daily
- ✓ Chassis provided through chassis pools
- ✓ Minimal split pick-ups or returns
- ✓ Centralized booking and customer service office
- ✓ Invoices and semi- monthly statements emailed to our customers

## *Implementing Information System Improvements*

- ✓ EDI Rail Billing (EDI 404s) eliminates the need for faxes and/or emails

RBC is working to add more value to the service we provide. We appreciate and need your ideas on how to better serve your business as our companies move forward together.
